## ABOUT THE AUTHOR

Marion Grace stands today as a living, breathing miracle and testimony of the overcoming power, love, and faithfulness of God when you put His Word in your heart. After years of depression and bitterness leading to divorce and a terminal cancer diagnosis, she shares her story of victory. Her boast is not in her Bible school training, but in the fact that she is an ordinary Christian just like you. This is her story of reaching deep inside in the midst of life's crippling obstacles to bring back everything God had ever placed inside her. Her story is one of shame to value; struggle to victory; death sentence to peace and life.

## ENDORSEMENTS

The truths of God's word and kingdom living are alive on these pages, like ready food for your soul. This book is a screaming declaration of God and everything he is, right there in the fight of your life.

—Debbie Eddy, Nova Scotia, Canada

Marion's writing is like a force of nature—a whirlwind blowing away all the old dead leaves to make room for new growth.

—Travis Williams, author of Uly Quits His Job

Marion Grace is a strong warrior in the Kingdom of God.

Her first book, *Your Greatest Life: Overcoming Depression, Divorce, and Critical Illness*, along with her testimony, helped me greatly. The Bible tells us in Revelation 19:10 that the testimony of Jesus is the Spirit of prophecy, and I received this as my outcome.

Her second book, *Drop Your Sword: Letting God Fight Your Battles*, is a word you must have in your repertoire ... With this tool, you will be more firmly established in His Word and experience victory in your life in whatever area you are struggling. God is good and He is good all the time.
